Safety Instruction Guide for USLMounts USLMont for Aimpoint ACRO, Steiner MPS, AH 30,5mm

Introduction

Thank you for choosing the USLMounts USLMont. This product is designed to enhance your shooting experience by providing a secure and reliable mounting solution for Aimpoint ACRO and Steiner MPS optics. To ensure your safety and the optimal performance of this product, please read and follow the safety guidelines outlined in this document.

General Safety Guidelines

- **Product Safety:** Always use the USLMounts USLMont as intended. This product is designed for nonfood usage and should only be utilized with compatible optics.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a notice regarding this product, please follow the instructions provided for safe return or remedy.
- **Online Shopping:** Ensure that you purchase this product from reputable retailers that comply with safety regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries or concerns, please reach out to the designated EU contact for this product.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- **Avoid Modifications:** Do not modify the USLMounts USLMont in any way. Alterations can compromise safety and performance.
- **Inspect Before Use:** Always inspect the mount for any signs of damage or wear before installation. Do not use if damaged.
- **Secure Installation:** Ensure that the mount is securely attached to the firearm before use. A loose mount can result in failure.
- **Recoil Considerations:** This mount is 100% recoilproof; however, ensure that it is properly adjusted to withstand heavy recoil.
- **Proper Handling:** Handle the mount with care to avoid injury. Sharp edges may be present during installation.
- **Weight Limitations:** Ensure that the combined weight of the optic and mount does not exceed the manufacturer's specifications.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation.
- Ensure you have a clean and welllit workspace.

2. Installation:

- Align the USLMounts USLMont with the Picatinny rail on your firearm.
- Adjust the clamping force using the integrated tension adjustment feature to ensure a secure fit.
- Lock the mount in place using the secure lever lock mechanism. Ensure it is tightly secured.

3. Usage:

- After installation, test the mount by gently shaking the firearm to ensure stability.
- Use the firearm in a safe and controlled environment, following all applicable firearm safety rules.

4. PostUse Care:

- After use, clean the mount and inspect for any signs of wear or damage.
- Store the product in a dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the USLMounts USLMont in accordance with local regulations.
- Do not dispose of the mount in household waste. Instead, look for recycling programs that accept aluminum and stainless steel products.

Contact Information for Further Support

For any questions or concerns regarding the USLMounts USLMont, please contact the authorized EU representative for this product. They can provide further assistance and information regarding safety and usage.

By following these safety instructions, you can ensure a safe and effective experience with your USLMounts USLMont for Aimpoint ACRO, Steiner MPS, AH 30,5mm. Thank you for your attention to these important guidelines.
