USLMounts Safety Instruction Guide for Aimpoint ACRO, Steiner MPS, AH 39,0mm

Introduction

Thank you for choosing the USLMounts USLMont for Aimpoint ACRO, Steiner MPS, AH 39,0mm. This product is designed to provide a secure and reliable mounting solution for your optics. To ensure your safety and the optimal performance of the product, please read this safety instruction guide carefully.

General Safety Guidelines

- **Product Safety:** This product has been designed to ensure safe use. It is important to follow all instructions to avoid risks associated with improper use.
- **Enhanced Recalls:** In the event of a product recall, you will be notified promptly with clear instructions for returning the product and obtaining remedies.
- **Online Shopping Safety:** If you purchase this product online, ensure that the seller complies with safety requirements just as they would in a physical store.
- **Special Consumer Focus:** Extra precautions are taken to ensure that vulnerable groups, including children, are protected from potential hazards.
- **EU Contact Point:** For any safety inquiries, please consult the designated EU contact point provided with your product.
- **Rapid Alerts:** Stay informed about any updates regarding unsafe products through the EU Safety Gate system.

Specific Safety Precautions for Use

- **Do Not Exceed Weight Limits:** Ensure that the total weight of the mounted optics does not exceed the specifications provided by the manufacturer.
- **Inspect Before Use:** Always inspect the mount and optics for any signs of damage or wear before each use.
- **Avoid Modifications:** Do not modify the mount in any way, as this can compromise safety and functionality.
- **Use Proper Tools:** When installing or adjusting the mount, use the correct tools as specified in the installation instructions.
- **Secure Installation:** Ensure that the mount is securely attached to the Picatinny rail to prevent any movement during use.
- **Keep Out of Reach of Children:** This product is not a toy. Keep it out of reach of children to prevent accidental injury.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and ensure you have a clean workspace.
- Review the installation instructions thoroughly before starting.

2. Installation Steps:

- Position the mount on the Picatinny rail in the desired location.
- Use the adjustable tension feature to set the clamping force, ensuring a snug fit.
- Tighten the secure lever lock to firmly attach the mount. Make sure it is locked in place.
- Doublecheck the alignment of the optics after installation to ensure proper sighting.

3. Usage Instructions:

- Always use the mount in accordance with the manufacturer's recommendations.
- Regularly check the mount for tightness and stability during use.
- If you experience any issues, stop using the product immediately and consult the contact point for assistance.

Disposal Instructions

- Dispose of the product in accordance with local regulations. Do not dispose of it in regular household waste.
- If the product is damaged or no longer in use, consider recycling it where facilities are available.

Contact Information for Further Support

For any questions or concerns regarding the USLMounts USLMont, please refer to the contact information provided with your product packaging. Your safety and satisfaction are our top priorities.

By following these guidelines, you can ensure the safe and effective use of your USLMounts USLMont for Aimpoint ACRO, Steiner MPS, AH 39,0mm. Thank you for your attention to these important safety instructions.
