Safety Instruction Guide for USLMounts USLMont for Aimpoint COA

Introduction

Thank you for choosing the USLMounts USLMont for Aimpoint COA. This product is designed to provide a secure and reliable mounting solution for your optical device. To ensure your safety and the effective use of this product, please read the following safety instructions carefully.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as specified in the product description.
- Regularly inspect the product for any signs of wear or damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of optical devices.
- Report any unsafe product conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Safety:** Ensure the mounting surface is clean and free from debris before installation.
- **Weight Limit:** Do not exceed the weight limit specified by the manufacturer for the mounted optical device.
- **Tension Adjustment:** Ensure the clamping force on the Picatinny rail is adjusted properly to avoid accidental detachment.
- **Recoil Management:** Be aware of the product's recoilproof feature; however, always practice safe handling of firearms.
- **Secure Locking Mechanism:** Regularly check the lever lock to ensure it is functioning correctly and securely locked.
- **Avoiding Snags:** Use caution when handling equipment to avoid snagging on the USLMounts design.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a torque wrench if required.
- Ensure you have a suitable workspace that is clean and welllit.

2. Installation Steps:

- Remove any existing mounts from the firearm if applicable.
- Align the USLMounts USLMont with the Picatinny rail on your firearm.
- Securely attach the mount using the provided screws, ensuring that they are tightened to the manufacturer's specifications.
- Adjust the clamping force using the tension adjustment feature to ensure a snug fit without overtightening.
- Verify that the mount is securely attached by gently shaking it to check for any movement.

3. Usage:

- Once installed, carefully mount your Aimpoint COA optical device onto the USLMounts.
- Ensure that the optical device is securely locked in place.
- Regularly check the mount and optical device for any signs of loosening or wear during use.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling components where possible, especially metals and plastics.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please reach out to the manufacturer directly. Ensure you have the product details and any relevant information ready for efficient assistance.

Thank you for choosing the USLMounts USLMont. Your safety and satisfaction are our top priorities. Enjoy your experience with our product, and remember to follow the safety guidelines provided.
