Safety Instruction Guide for USLMounts

USLMount for Aimpoint Micro

Introduction

Thank you for choosing the USLMounts USLMount for Aimpoint Micro. This guide provides essential safety instructions and information to ensure the safe use and installation of your product. Please read this guide carefully before using the mount.

General Safety Guidelines

- Ensure that the mount is compatible with your Aimpoint Micro before installation.
- Always inspect the mount for any damage or wear before each use.
- Keep the mount out of reach of children and vulnerable individuals.
- Do not use the mount for purposes other than those specified in this guide.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Recoil Safety:** The mount is designed to be 100% recoilproof. However, ensure it is securely locked in place before use to avoid any accidents.
- **Weight Considerations:** The lightweight construction minimizes weight impact, but be mindful of the overall weight distribution on your firearm.
- **Installation Safety:** Follow the installation instructions carefully to avoid improper mounting, which could lead to malfunction.
- **Material Safety:** The mount is made from highstrength 7075 aluminum and tempered stainless steel. Avoid exposure to extreme conditions that could compromise the materials.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and safe before beginning installation.
- Align the USLMount with the Picatinny rail on your firearm.
- Adjust the clamping force using the adjustable tension feature to ensure a secure fit.
- Engage the secure lever lock to firmly lock the mount in place.
- Doublecheck the installation by gently pulling on the mount to ensure it is secure.

2. Usage:

- After installation, verify that the optical axis height of 28.5mm is appropriate for your shooting needs.
- Always check the mount before each use for signs of wear or damage.
- If you experience any issues during use, cease operation immediately and inspect the mount.

Disposal Instructions

- Dispose of the mount in accordance with local regulations regarding electronic waste and metal recycling.
- Do not dispose of the mount in regular household waste.
- If you have questions about proper disposal, consult local waste management authorities.
